TO MAKE UP

1 Pin then sew Body squares together, folding in lower front corner as shown and leaving lower edge open for stuffing.

2 Stuff Body with polyester filling and sew lower edge closed.

3 Fold each Large Wing in half diagonally, one with wrong sides together and one with right sides together, and sew seams.

4 Fold each Small Wing in half diagonally, one with wrong sides together and one with right sides together, and sew seams.

5 Position each Small Wing on top of a Large Wing, aligning folded edges. Sew in place, leaving small section unsewn.

6 Position wings on Body so that front corners are about 6cm from head end of Body and folded edges are aligned with top Body seam. Sew wings to seam for about 7cm, leaving back ends of wings free.

7 Fold Large Tail in half and sew side seam for about 6cm. Run a gathering thread around open top end.

8 Arrange Large Tail so that seam lies in centre, pull up gathering slightly and sew gathered end closed.

9 Fold Small Tail in half widthwise and sew side seams. Run a gathering thread around open end.

10 Stuff Small Tail lightly, pull up gathering and sew gathered end closed.

11 Join top of Small Tail to top of Large Tail.

12 Join Tail to lower back of Body along gathered edge.

14 Pin Feet to either side of lower Body seam and sew in place.

15 Run a circular row of gathering stitches around centre of Crown. Pull into oval shape and set aside.

13 Fold each Foot in half lengthwise, and join along cast-on edge and long side (a). Stuff Foot and sew open end closed (b).

16 Fold Beak in half diagonally and sew one seam.

17 Run a gathering thread along seam, and gently pull Beak into curved shape. Stuff firmly.

18 Pin Crown onto top of Head, folding edges under to create oval shape, and sew in place. Position open end of Beak on front of Head and sew in place. Using black, work eyes in satin stitch.
